A partnership to drive businesses forward

Grey Search Africa is a recruitment firm created and established in Cote d'Ivoire.

Because grey matters, we search for "Grey people" to great organisations across Africa.

Our focus is exclusively on the recruitment of middle to senior level management.

An Expert-to-Expert Approach

Grey Search's Methodology

Grey Search Africa's Unique Selling Points

- **Confidentiality:** Throughout the entire assignment: a sole interlocutor for the entire research process
- **Direct approach:** We are hunting not fishing in a database. We supply a customized response to our customers' requirements.
- **From "clientship to partnership":** We do not view our relationships through the lens of a project but rather dedicate ourselves to your overall success. We value meaningful collaboration for a long term relationship
- **Grey matters:** Whose personality, as well as professional and personal skills and capacities correspond exactly to your needs and culture.
- **Commitment:** personal and professional dedication
- **Flexibility:** By direct approach, we supply a tailored response to your needs.

We are proactive and resourceful.

We focus on service excellence with candidates, clients and ourselves.
